DATE: 2/5/65

FROM : SA [redacted]

SUBJECT: **SHELDON EMBRY**
BOMBING MATTERS

b7C

b7D

On 2/5/65 [redacted] (whose identity in this connection must be concealed) telephoned to say that she had learned from [redacted] that about one week ago, in the evening hours, SHELDON EMBRY had been on or near the campus of the University of Minnesota, where he instructed a number of young people in the making of Molotov cocktails. She was unable to obtain any further information from [redacted] other than that [redacted] was present while EMBRY was engaged in this activity and appeared to be quite disgusted. EMBRY is engaged in the real-estate business and resides in Hopkins.

The file references on EMBRY should be completely reviewed and an appropriate memorandum prepared for distribution to Secret Service and other appropriate agencies.

The service agencies, Secret Service, and the Minneapolis and University police departments have been advised of the foregoing.

b7C

b7D

In addition, [redacted] stated that her source, [redacted] must under no circumstances be revealed since so far as she knows, she is the only person [redacted] has spoken to of this matter. She is not certain whether or not there is an organization in this area called the "Minutemen"; however, she recalls that on one occasion [redacted] of St. Paul, suggested to her that she attend a meeting of what she thinks was the Minutemen in Missouri.

Are you still trusting
the "destroyers"?

Hitler obtained dictatorial
control of Germany thru
legislation giving his gestapo
authority to enforce certain executive
orders against the Jews. ^{This bill is} against the whites.

While he was doing it every
major newspaper, all slick
magazines and radio commentators
were telling the people what a
"wonderful humanitarian" he was.
Americans are as dumb as the
Germans were — Sheel

1

Ill-trained and ill-equipped young American boys are sent to die and be maimed for life in the soggy swamps and filth of Asia while their "Patriotic" President withholds bombing planes from hitting the supply depots and planning headquarters of their enemy.

At the same time their "Patriotic" President is desperately trying to increase the amount of material, food and supplies that America is sending to Russia, Yugoslavia, Poland, Ghana, Indonesia etc etc etc.

Only a fool or a traitor would agree with the actions above.

But this has been going on for years — and America is populated by fools who stare in wonder and confusion at treason in high places and because it is so obvious and so well planned to appear as "bungling" or "experiments" or anything but treason they just can't get it thru their stupid heads that "it was planned that way".

The "war" in Viet Nam between American youth and Asian masses was planned in 1963 between the U.S., China

And Russia. The U.S. Dept of Defense even had a chart as early as 1963 showing a "pipeline" was against N. Viet Nam & China" located between Aug 1965 and Dec 1965 on the chart. The chart was "secret" of course - the "fools" were not to know - all they are supposed to do is provide the children to be killed and the money to be sent to N. Viet Nam via Russia, Tito, Sukarno and others. All to drain another 10 or 15 billion for "defense" (really the politician's pockets) of "freedom in Asia"!!

The really amazing part of the whole thing is that many Americans still believe, after 20 years of Communist victories, that their "government" is "fighting communism"! They have provided billions in planes, equipment, food, training and supplies to Communist countries every year for 20 years and still insist that the U.S. Government is "anti-communist".

The reason - MASSIVE, CONTROLLED, SCIENTIFIC "NEWS" fed to the people via newspaper, magazine, radio, TV and movies!

① FACT: - U.S. drew out 1,000,000 Jap soldiers from S.E.

Asia by bombing & naval blockade in 1944

② ~~FACT~~ FACT:

2 yrs. later with \$50,000,000,000 annual military budget we can't stop 100,000 irregulars in 1/6th of S.E. Asia.

②

- ⑧ FACT: In 1944 the TOTAL annual budget was less than \$50 BILLION including cost of European war and domestic expenditures!
- ⑨ FACT: In 1965 the MILITARY budget alone was more than \$50 BILLION - YET WE DO NOT HAVE THE MILITARY EQUIPMENT OR THE SOLDIERS NECESSARY TO FIGHT EVEN A "LIMITED" WAR IN ASIA WITHOUT LBJ HAVING TO ASK CONGRESS FOR "EXTRA" MONEY!

FACT # 5

The American people are the victims of the biggest monetary swindle of all human history! MORE wealth has been STOLEN from Americans than all of the wealth stolen by all of the thieves since the dawn of time -

And Americans are so befuddled they just put their wives to work to pay the extra taxes and vote for and cheer the thieves on!

May God help our children
What happened to the 50 billion "they" have been
'spending' every year for the last 5 to 10 years - - - - -

Coming Events 1965

(as planned by Moscow-Peking-Wash., D.C.)

June thru July } Build up U.S. troops in Viet Nam —
Aug } Call up Reserves, increase draft — move
200,000 to 300,000 to Viet Nam

Bombs

Aug, Sept } Russia to announce no support of China in
large war in Viet —

Sept, Oct, Nov, Dec } U.S. & China to fight "war" — kill a lot
of dumb Americans, Chinese & Viet Namers
China Nuclear plants to be destroyed

Dec — End of war — U.N. will be created in press
and "saving mankind from the scourge of
a horrible atomic war" — Also Russia
will be killed as "pescenmaker", "neutralist"
(communist) gov't in S. Viet-Nam. LBJ LAUDED FOR
SAVING THE "PEACE"
PREVIEW FOR 1966 —

China admitted to U.N. Feb. 1966

Gov't of Cuba overthrown between Nov & July (Comm-
unists will remain in control but dumb. U.S.)

Citizens to be made to "think" everything is
better — — AND MANY MORE EVENTS — ALL PLANNED!!
IN ADVANCE!!

Questions for patriotic Democrats —

If you were in Command of 40 naval units on the St. Louis River including 4 aircraft carrier and 100 ~~fighter~~ fighter and 100 fighter-bomber, and had 100 fighter and 100 bomber at Wold-Chamberlain and 100 bomber in Detroit and 100 bomber in Dayton Ohio, ~~HOW LONG DO YOU THINK IT WOULD~~

Remember —
YOU HAVE

NAVY OPPOSITION
AND ONLY

OPPOSITION!

Circle one: 4 hours, 4 days, 4 weeks, 4 mos, 4 years

- ② HOW LONG DO YOU THINK IT WOULD TAKE YOU TO KNOCK OUT ALL BRIDGES ACROSS ALL RIVERS IN THE EASTERN 1/3 OF MINN. (THAT IS APPROX. SIZE OF NO. VIET-NAM)

Circle one: 4 hours, 4 days, 4 wks, 4 mos, 4 yrs

- ③ HOW LONG DO YOU THINK IT WOULD TAKE YOU TO WAKE UP TO THE FACT THAT THE "WAR" IN VIET-NAM IS A PHONY WAR?

Circle one: 4 min, 4 days, 4 mos, 4 yrs, 40 yrs?

- ④ HOW MANY AMERICAN FAMILIES WILL LOSE LOVED ONES IN VIET BETWEEN SEPT AND DEC. OF 1965? — Correct answer "TOO MANY"

b7C

Feb. 24, 1963

Dear

Are honest Democrats still listening to the people who lie and lie and continue to lie about things that are happening today?

There must be a place where the mind rebels at the insanity of our national leaders such as Lyndon Johnson who can stand before an audience in 1963 and say that the Communists "lost" the battle for Cuba! Even if Khrushchev would have removed the missiles from Cuba (which he did not) he would still be in absolute control of the island. Yet L.B.J. can say "they lost."

b7C

 - every sincere and honest American owes it to himself and his country to stop condoning insincerity and dishonesty and start fighting it. You cannot be accused of leaving the Democratic Party - for it has already left you.

Bring your wife to the Y.W.C.A. Friday night and listen - you'll not regret it -

Sincerely -

Sheldon Emery

This meeting was alleged to be a second meeting of the group which had met on the previous Saturday to schedule demonstrations against the sale of Communist imported goods in various stores in the Twin Cities area.

b7C

Detective [redacted] was unable to obtain admission to the premises and he merely obtained license numbers of cars parked in the vicinity. It is noted that this list of license numbers includes the vehicle registered to SHELDON L. EMERY at 4216 Woodhill Road, Hopkins, Minnesota, a 1959 Pontiac, four door sedan, 1962 Minnesota license MR 6672.

MP memo dated 11/14/62 by SA [redacted] entitled [redacted] Information Concerning". The memo reflected, in part, that on 11/2/62 Detectives [redacted] Community Protection Unit, Minneapolis Police Department, advised SAS [redacted] of the following information. Detective [redacted] had in his possession a memorandum prepared by the Chief of Police, Minneapolis, dated 11/1/62 which contained information concerning the subject as furnished by [redacted] a minister affiliated with the Fathers College, 1205 1/2 Washington Avenue South. [redacted] had advised the Police Department on 11/1/62 that he had observed a multilith stencil prepared under the signature of [redacted] which he [redacted] found in his room at the above address where [redacted] had for several months worked. This stencil was again attacking the mayor, ARTHUR NAFTALIN, with similar charges which [redacted] previously had resulted in [redacted]. This stencil had not been run and was made available to the Police Department by JOHNSTON.

b7C

According to information developed by [redacted] as well as [redacted] had been hanging around the church located at 1205 1/2 Washington Avenue South. [redacted] was employed by [redacted] until it was determined that he had been misusing the church's truck and was also indebted to [redacted]. After [redacted]

On 11/28/62 the Minneapolis star carried a letter to the Editor which read as follows:

"To the Editor: Your editorial Nov. 14 on Polish ham deserves, nay, demands a reply. Several statements in it were presented as fact but should have been loudly labeled opinion since they so clearly disregarded certain facts. The credit you gave Gomulko for holding the Polish revolution in check is not deserved. Cardinal WYSCINSKI called for reasonable order because he suspected the West was not about to help the Poles in any revolution against their Communist masters.

"But on the main idea of the editorial, that the persons who are attempting to discourage the sale of Polish hams in the United States are helping Russia, you really flipped with your illogic. How many of your readers must have realized that if that is really true, then the refusal to purchase said hams (Perhaps because of preference for hams inspected by U.S. inspectors) is also helping the Russians. Following this illogic to its implied conclusion we can see that those who purchase the hams are the real anti-Communists after all!

"But, you see, your whole thesis that we must buy Communist imports (hams) because we hurt the Russians (Communists) was destroyed in June of this year when Gomulko admitted that the grain that America is giving her was not being used to feed the people but was being used to "expand Poland's exports of ham and poultry." So it seems that the Poles are not getting the grain to eat and they are not getting the ham to eat, yet Americans are paying for them both. Kind of a double sucker deal.

On 12/3/62 the Minneapolis Star carried a letter to the editor which read as follows:

"To the Editor: I would like to offer a few suggestions to SHELDON EMRY, the "patriotic" chairman of the Twin Cities Committee to Warn of the Arrival of Communist Merchandise on the local Business Scene, and any others of his kind.

"We should never become so zealous in promoting our points of view that we infringe on the rights of fellow Americans, for in doing so we would be giving up part of our American heritage of civil liberties for whatever cause we support.

100-12801-14

MP memo dated 5/6/63 by SA [redacted] entitled
[redacted] Information Concerning (Internal
Security)" The memo reflected, in part, that on 5/2/63
[redacted] former security informant, contacted the
Minneapolis office and made available certain printed
material which had been mailed to her by one [redacted]
[redacted] of St. Mary's College, Winona, Minnesota. She
stated that [redacted] had requested her to furnish names
and addresses of Communists known to her for the purpose
of checking out suspected left-wing organizations and for
future reference by him.

In his lengthy letter to [redacted] indicated
that it is his opinion that the New Frontier is selling out
to the enemy and that we are losing the cold war. He fears
the U.N. takeover and desires to maintain list setting forth
the identities of communists so that they can be dealt with
severely in the event they attempt to take over this government.
[redacted] appears to be a follower of the Minutemen and an
extreme right-wing thinker.

Also in his letter to [redacted] stated:

"I don't feel at liberty to give you the
names of anybody I've tried working with in
this without first consulting them, but
I will mention a couple--one you already
know, i.e., [redacted]--by telling you how
I came about writing you this letter: Awhile
back, I read in the Wanderer of the
registration proceedings before the SACB
at which your colleagues, [redacted]

[redacted] testified
against SAM DAVIS I then wrote the SACB
in hopes of getting hold of a transcript
of these proceedings. I couldn't get a
transcript, but I did get a copy of the
"Report and Order of the Board, Decided
March 8, 1963," which I found extremely
interesting to say the least. I then
wrote my colleague, SHELDON EMRY--the
one name I am giving you, since he's so
active in just about everything Right-wing,
although he has very little time available
to help me on what I'm doing--who advised
me to write [redacted] the later of whom
I'd never met, corresponded, or worked with
before. SHELDON EMRY gave me his permission to
give him as a reference when writing [redacted]
of course; otherwise, I doubt if [redacted]
would have written me and suggested that I
write you direct."

By letter dated 12/3/63, Postal Inspector JOHN STREICH furnished, among others material received from [redacted]

b7C [redacted] In her letter dated 11/26/63 to Inspector [redacted] advised she was enclosing two anonymous letters she had received. Also, she enclosed a postal card sent to her bearing same type of handwriting as the letters. She stated the postal card followed a series of letters received from a SHELDON EMRY of the Aqua City Realty Co., "who wrote to impugn my patriotism", shortly after the Minneapolis Tribune printed a news item about her receipt of a letter from EARL BERTRAND RUSSELL and which appeared in the Minneapolis Tribune on Sunday, December 16, 1962.

She stated she marked "will not accept" on several of Mr. EMRY's letters and returned them to him. She kept only the postal with his handwriting on it. She stated she had never written to EMRY.

The postcard was postmarked Hopkins, Minn., Dec. 23, 1962, 2 P.M. The address was handwritten to [redacted]

b7C [redacted] These was a printed message of: "On December 10, 1961, the forty-six civilian doctors of Elizabethville, Katanga, sent the following telegram to UN Acting Secretary-General U Thant: "We regret your shameful lie that your mercenaries do not shoot at Red Cross vehicles. You will have a right to talk about such things when you have spent nights with us in our hospitals bombed by your faithless and lawless ruffians." By all means let's give Communist China a seat in the United Nations--our seat! And since we do not want the Red Chinese coming to New York, let's ask them to move UN headquarters to Peiping or Moscow where it belongs. Get US out!" On the bottom of card was "Copyright 1962 by American Opinion, Belmont 78, Massachusetts. These cards will be supplied 25 for \$1.00."

On 12/5/63 DANIEL F. FOLEY, National American Legion Commander, Wabasha, Minn. furnished SA [redacted] material for photographing. Among this letter was a letter dated 11/1/63 on University of Minn. letterhead stationery, addressed to President O. MEREDITH WILSON, from [redacted], University Relations and [redacted]

b7C [redacted] associate Professor of History which reflected the following in part:

On Saturday, 10/19/63, an all day program called "Pathways to Peace" was held in the Coffman Memorial Union on the Mpls. Campus of the University. Names of participants and sponsors of the program were furnished.

b7C After the first session broke up for a coffee break, [redacted] became involved in an attempt to stop the distribution of unauthorized leaflets inviting all of the guests to attend a meeting in room 320, Coffman Memorial Union, beginning at 1:30. The leaflets

announced two showings of the movie "Katanga", an anti-United Nations movie being distributed by anti-United Nations groups all over the country. The leaflet said "after the film, KEN MC DONALD, 3rd Dist. American Legion Commander, will discuss (sic) the Legion position on the UN."

b7C When those distributing the leaflets refused to stop this action, [redacted] called the University Police Dept. and, shortly, Police Officer [redacted] arrived. When Police Officer [redacted] failed in an attempt to end the distribution of the leaflets, Sergeant [redacted] was called to the Union, the Sergeant arriving at approximately 11:00 a.m. The Sergeant invited the distributors of the leaflets, [redacted] to discuss the matter in the janitor's room near the Main Ballroom at the University. There, [redacted] insisted that he did not need permission to make the distribution.

b7C At this time, [redacted] of the Dean of Students Office arrived after checking to determine what approval had been given for the meeting advertised in the leaflets and for the distribution of the leaflets themselves. [redacted] reported that no permission or clearance had been given. [redacted] could report that room 320 had been reserved by the YAF (YOUNG AMERICANS FOR FREEDOM), a student group.

After considerable discussion and after attempts had been made to discuss the meeting by phone with the Dean of Students and the Assistant Dean of Students, the decision was made by [redacted] to approve the meeting in 320.

The film was shown twice in this room, two University policemen being present to preserve order. The film was seen by some forty persons.

Participants in the all day program reported that they had been harassed, sworn at, and photographed by individuals identified with [redacted] and that literature in their booths had been stamped "Communist!"

b7C It is clear from all of the records that we now have that an attempt was made to secure a meeting room by subterfuge and to obstruct the program being held in the student Union.

Sometime during the night, presumably, two signs "Red UN" and "Red Humphrey" were painted on a Northrop Auditorium wall.

Among the persons identified, participating in varying ways in all of the above included [redacted]

b7C

[redacted] and a Mr. EMERY. [redacted] was seen with [redacted]

It is particularly clear from the literature that was distributed, copies of which are on file, that Mr. MC DONALD represented his Legion position: "After the film, KEN MCDONALD, 3rd Dist. American Legion Commander, will discuss (sic) the Legion position (sic) on the UN...probe into South Vietnam is hypocrisy at its worst. They can't fool all of the people all of the time.--DEN MCDONALD commander 3rd Dist. American Legion."

On 10/21/64 Detectives [redacted] furnished copy of a memo to SAS [redacted] the following information for Main Case entitled [redacted] aka Miscellaneous Information Concerning (Internal Security)."

b7C

The memo reflected in part, that on 10/21/64 [redacted] Potential Criminal Informant furnished Detectives [redacted] information that [redacted] had contacted her several times in the past few months. She stated that [redacted] told her he was working for the Merle B. Watson Co. [redacted] also told her that he could be reached at telephone number 544 4436. This number lists to Homes for Sale by Owners, Inc., 5408 Wayzata Blvd. Homes for Sale by Owners, Inc. is located in a shopping center to the north of Wayzata Blvd. and just east of McCarthy's Cafe. Detectives [redacted] observed two cars in front of the office. One a 1962 Plymouth license number [redacted] listed to [redacted] The other was a 1959 Pontiac MR 6672 and it is listed to SHELDON L. On 9/10/64 the Minneapolis Morning Tribune carried an article entitled "ROSE NAMES 11 MORE IN LIBEL SUIT." The article reflected, in part, that ARNOLD ROSE, University of Minnesota sociology professor had added 11 persons, six of them ministers, to the list of defendants he was suing because they allegedly labeled him a Communist or a Communist sympathizer. ROSE brought the \$10,000 libel suit in February against Christian Research, Inc., a conservative organization

that attacked him in a circular entitled "FACTS FOR ACTION."

The suit also originally named the Minneapolis organization's director, [redacted], and an Anoka carpet and furniture cleaner, [redacted] who reportedly circulated the mimeographed sheets.

b7C

The week of September 10th [redacted] attorney was allowed to amend the suit to include the names of the new defendants. Attorney [redacted] said these people were "members, officers, or incorporators of Christian Research." Five of the pastors listed were from Minneapolis. The sixth was from Duluth, Minnesota.

Among the new defendants listed were [redacted] of the Christian Crusade Against Communism, Inc., and SHELDON EMBRY a Minnetonka Real estate salesman and vice chairman of Christian Research. EMBRY declined to comment not even know some of the on the suit, but said he did people named in it.

SUBJECT: SHELDON EMRY
BOMBING MATTERS

An investigation of the above captioned person has been conducted in conjunction with the investigation of the MINUTEMEN Organization. The latter investigation failed to come up with any records pertaining to EMRY's background other than his date of birth and the fact that he had been in the ~~xxxxxx~~ armed services of the United States. A check of his past employments, the records of the Realtors Division of the Department of Insurance, and acquaintances indicated only that EMRY had been born in Wisconsin.

In an effort to get additional background information an FD 9 was sent to the Bureau on 3/30/65. The return of the FD9 indicated that EMRY was born at Jump River, Wisconsin and that his army SN was 46014537. Upon receipt of this information, an FD 356 was sent to St. ~~Louis~~ Louis for a check of EMRY's armed service record. During this interval, however, investigation of EMRY was being handled in connection with the MINUTEMEN organization.

The investigation in this connection indicated that EMRY was suffering from heart trouble, that he was now employed (self) out of his home and that his home was up for sale preparatory to his moving to California.

When the information concerning EMRY's armed service together with the background information is received from St. Louis, a report will be prepared setting out all known information re EMRY. It is felt that inasmuch as there is an outstanding lead to St. Louis, it would be a saving of time and effort to compile all information in one report, especially in view of EMRY's contemplated move to California.
